- Classroom Management – Taught processes and procedures early in the year to ensure a routine that would keep the students knowledgeable about what to do when. Experienced in keeping students busy at all times to avoid problems. Solid transition management.
- Lesson Plans – Skilled at creating engaging, TEKS based, lesson plans which incorporate technology, STEM, and higher order thinking. Skilled in large group, small group and individual instruction. Utilize Saxon phonics, Go Math, Science Fusion and Journeys curriculum.

- Assessments – Regularly incorporate formative and summative assessments to ensure mastery. Use assessments to establish RTI needs and provide updates on RTI growth plans. Routinely provide immediate feedback on in class work to each individual student.
- Differentiated Instruction – Provide targeted remediation/differentiated instruction.
- Parent Communication – Conduct parent/teacher conferences as necessary. Send home a weekly newsletter to communicate with parents. Use a daily citizenship report to communicate with parents on behavior, sent home positive communications when students were working hard in class. Maintain my school webpage as well as utilization of Class Dojo and Remind.
